HIDING IN PLAIN SIGHT

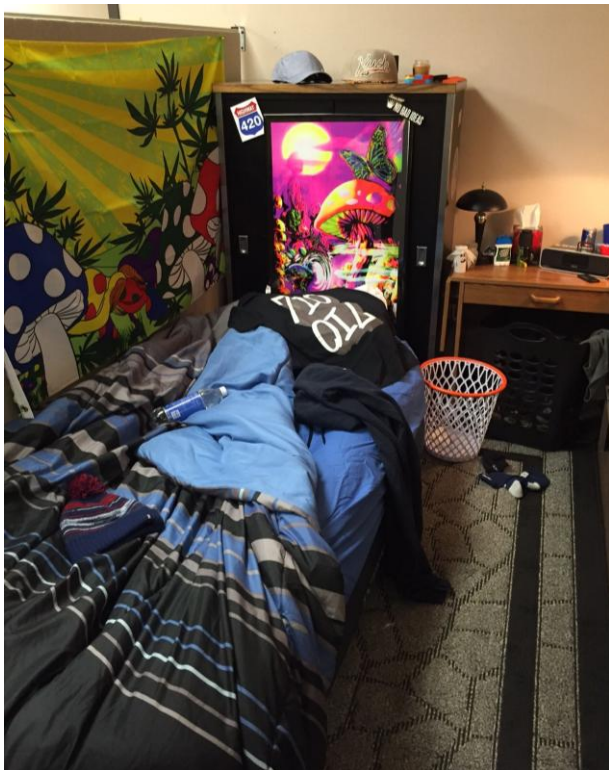

The purpose of The Hiding in Plain Sight Mock Room is to educate parents/guardians on what can be hiding in plain sight, in their children's room.

Unfortunately, technology makes it easier to access products that help disguise where drugs are hidden. This room gives just a small sample of what is out there, and what kids ARE using.

Please walk around the room and see what you find.

Hints and Tips

- *Look for everyday products
- *Look in trash
- *Question perfectly good pens thrown away
- *Ask about toilet paper roll
- *Ask what HWY 420 means
- *Ask what 710 means
- *Look at clothing logos
